Marline Francois-Madden

Therapist | Speaker | Bestselling Author

Biography

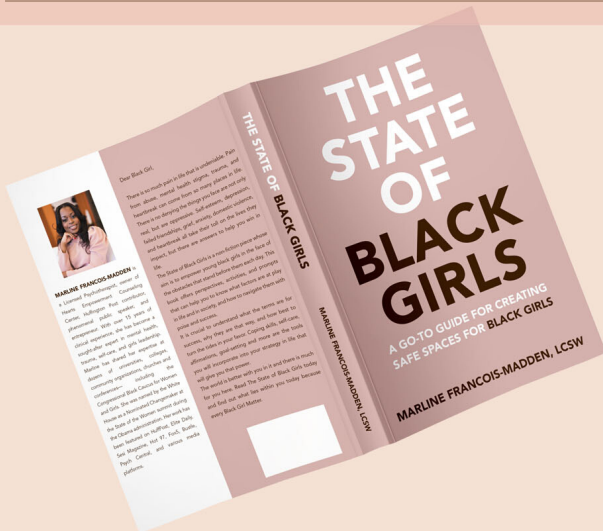

About Marline

Marline Francois-Madden is a phenomenal public speaker, Bestselling author of “The State of Black Girls”, educator, and policy-facing therapist developing consistent action plans that drive change. With over 15 years of experience in the mental health field, Marline is mindfully intersecting the connections between Black girls, mental health, and policy.

She is a sought after expert in mental health, Black girlhood, self-care and girls’ leadership. Her opportunities has led her to work globally with adolescents in Ghana, Haiti and Israel. Marline has shared her expertise on dozen of universities, community organizations, churches, and conferences including The Congressional Caucus for Black Women and Girls, Her most notable stage will be delivering a TEDx at one of the largest university led TEDx stages at PENN in 2020 on Black girls and mental health. Marline was awarded as a Nominated Changemaker at the White House Summit during Obama’s Administration.

Her work has been featured in Essence, Business Insider, HuffPost, Bustle, Elite Daily, MadameNoire, Therapy for Black Girls, SiriusXM radio, Fox 5, Hot 97, and dozen of media and podcast platforms.
